

Appl. No. 10/790,228
Amendment dated February 28, 2006
Reply to Notice of Allowability of December 1, 2005

REMARKS

In response to Notice of Allowability dated December 1, 2005 please amend the specification as presented above. Since the specifications presented above only correct grammatical errors, Applicants believe that the amendments do not introduce any new matters. Accordingly, Applicants respectfully request entrance of the amendment under 37 C.F.R. §1.312 and prompt issuance of the patent.

Respectfully submitted,
